

Special prayer for immediate arrival of reincarnated lama.

O Lord Buddha, the almighty savior,
Black and Red lord of death, Yamantaka,
Bodhisattva Tara, Haryagriva and followers,
We pay homage to you all to bless us for our sincere prayers.

Respected Thupten Kalsang Namgyal,
With left-over of faithful followers here,
We suffer at present strongly like blazing under fire-ball,
For your immediate passed away.

The mode of your dying is nothing but
To awaken those holding permanently-view, to follow the dharma.
In real sense, nothing born-death or growth-decay happens
To your permanent dharma body.

With the communion of your great prayers,
And our deep faith and believe with you,
We pray for sooner rising of reincarnated sun,
Who could spread the illumination of dharma's teaching.

Learned: Who could explain clearly the meaning of sutra and tantra.
Pure: Who abides by the rule of vows and three trainings.
Wise: Who works solely for the preservation of Buddha teaching and sentient beings.
We pray for the immediate arrival of his great reincarnation.

Commanding over the four grounds of Buddha dharma,
Fortunate followers of wall surrounding him,
Being the incomparable holder of Buddhist doctrine.
We pray for the immediate arrival of the universal emperor of reincarnation.

With the power of buddha and its followers residing in ten directions,
Undeceived karma and naturally inexistence,
Unstained unusual attitude of ours,
We pray for the immediate accomplishment of our wishes.

With the immediate peaceful passing away of THUPTEN KALSANG NAMGYAL, who was the utmost venerable Rinpoche of Bumnying Monastery, East Tibet on 22nd November 2011, and to the request arriving from his entire followers and the monastery for this prayer of immediate arrival of his reincarnation, Thus I wrote it with deep invocation.
